Please understand that payment of your bill is considered a part of your treatment. The following is a statement of our Financial Policy, which we require you read and sign prior to any treatment. All patients must complete our Information and Insurance Form before seeing the doctor. Full payment or copayment (if applicable) is due at the time of service. We accept cash, check, Visa, MasterCard, Discover or American Express.

Regarding Insurance

We cannot bill your insurance company unless you give us your insurance information. If we are nonparticipating with your insurance, and they have not paid the balance within 90 days, the balance will be transferred to you. Please be aware that some, and perhaps all, of the services provided may be non-covered services and/or not considered reasonable and necessary under the Medicare Program and/or other medical insurance. These charges will be your responsibility. Our office makes every effort to obtain referral authorizations from the Primary Care offices for patients on HMOs. Should we not be able to obtain a referral, charges will be your responsibility.

Out of Network Billing

The physicians may not be participating physicians with your insurance plan, and if not, benefits may be reduced as such. You will be responsible for any unpaid charges and/or balances. Our practice is committed to providing the best treatment for our patients and we charge what is usual and customary for our area. You are responsible for payment regardless of any insurance company's (excluding Medicare) arbitrary determination of usual and customary rates.

Missed Appointments

Unless canceled at least 24 hours in advance, our policy is to charge for missed office and oximetry appointments at the rate of \$25.00 and a separate charge for sleep testing at the rate of \$200.00. Please help us serve you better by keeping scheduled appointments.

This facility has on staff two nurse practitioners, Sandra Knaur, APRN, BC and Cynthia Roger, RN, ACNP-BC, to assist in the delivery of pulmonary care.

I have read the above and hereby consent to the services of a nurse practitioner for my health care needs.

I understand that at any time I can refuse to see the nurse practitioner and request to see a physician.
