Patient Name: _____

Referring Physician: _____

You have been scheduled for an initial consultation or hospital follow-up appointment with _____ on _____ at _____ with a check-in time of _____. The next page of this packet is a detailed map to our facility. Below is a list of important information to assist you in preparing for this appointment.

- Please complete the enclosed packet of paperwork prior to your appointment. Be sure that all highlighted lines have a signature. The HIPAA privacy information is available in our office for your review if you are not already familiar with its contents.
- It is very important that the doctor have any old and new chest x-rays, CT chest scans or PET scans (**patient must bring the actual films** and reports) for this appointment.
- If not already done, please have your referring physician fax to our office or send with you any recent office notes and lab work.
- You must bring all of your current medications (actual bottles please) so a correct list can be made for your chart.
- New patients should plan to be in the office for a period of about two hours. Patients seen in follow-up after hospitalization should plan approximately one hour for the appointment.
- **If your insurance requires a referral**, please make sure your referring physician has this completed and faxed to our office prior to your appointment.
- Many of our patients have sensitive respiratory conditions. Please avoid use of scented body spray, perfume, cologne, aftershave, or anything with a heavy scent.
- As a courtesy to our patients, we file charges to your insurance but all co-payments are expected at the time of service.
- **If you cannot keep your appointment, please call us at 817-263-5864 as early as possible. Unless canceled or rescheduled at least 24 hours in advance, our policy is to charge for late notification/missed appointments at the rate of \$25.00 per incident. Please help us serve you better by keeping scheduled appointments.**

We look forward to meeting you at your first office visit. If we can assist you with questions prior to your visit, please feel free to call. You may also see our website at <http://www.texaspulmonary.com> for answers to questions you may have.

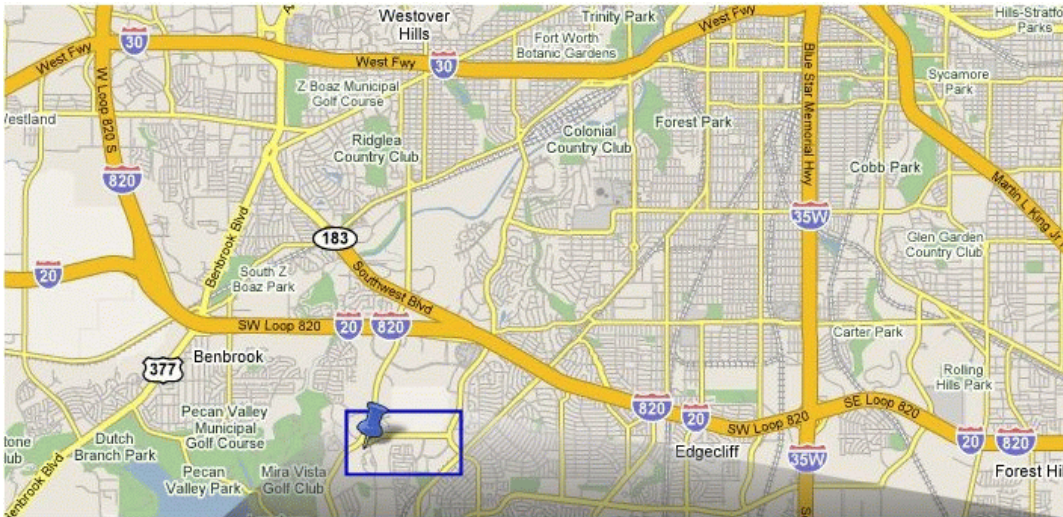

Sincerely,
